April 29, 2013

Dear Vendor,

The Nevada State School Showcase will be held August 2, 2013 at Carson High School, 1111 North Saliman Road, Carson City, Nevada. We are offering show booths for both commodity and commercial manufacturers. Carson City is close to the California boarder, is the state capital, and offers historic locations.

**Just several notes:**

1. Commodity processors: contracts were awarded on the last RFP, and can be rolled over several times. If you have been receiving commodity orders, great! If not, this is your chance to initialize utilization of your commodity awards. This past year, because of the short time between awards and school commitments, many schools did not have time to look at new vendors and new products---this showcase will provide that opportunity.

2. This show provides the only statewide venue to show your commercial products to both the larger schools and to all the schools often lying beyond the normal call range. Please show your items that meet the new federal guidelines to schools that may not be aware of all you have to offer.

3. This show is being held on Carson City School grounds. The only additional fees will be for extra power, no drayage fees. Your registration also entitles you to attend dinner at the Governor's Mansion along with school directors. Seating is limited so please mark it on your registration if you do plan on attending. There will be a bowling night at the Gold Dust West on Friday night after the vendor show. We would love to have you join us.

4. There is no cost for meals provided at the show or dinner, but we hope you will consider partially sponsoring the dinner. There will be recognition for your support. The two levels are: GOLD $450 and SILVER $250. Please contact Dawn Whitten at (775) 428-2700 or Chris Cooper at (775) 283-2150 if you would like to be a sponsor. Your support helps fund Nevada's conference activities, and is greatly appreciated.

For further information check the Nevada SNA web site @ [www.nevadasna.org](http://www.nevadasna.org). Thank you and see you in August.
