

Parent – Teacher – Staff Support Groups:

## Sponsor your Lunch-Lady *or Guy*

Please consider having your group sponsor your school's nutrition services staff to the Nevada and national School Nutrition Association. Nevada SNA is an all-volunteer organization that promotes healthy nutrition and provides support to your local school nutrition staff.

Benefits to members include:

- Grow professionally through SNA Certification and Credentialing.
- Increase your wealth of knowledge with professional development materials, up-to-date industry news and education opportunities such as the School Nutrition Foundation's Webinar Wednesday series.
- Learn about important legislative issues, including the implementation of the Healthy, Hunger-Free Kids Act and national nutrition standards, as well as use the legislative toolkit and your political voice to help shape and define national, state and local policy related to school nutrition.
- Network with industry peers, share information and discover best practices to apply in your programs at SNA conferences and through the Online Communities.
- Receive a subscription to SNA's award-winning School Nutrition magazine.
- Take advantage of scholarship and grant opportunities through the School Nutrition Foundation

Examples of sponsorship:

Bronze: Annual membership: \$35.00, including Nevada dues.

Silver: Annual State Conference: \$150.00. Sponsors may also choose to pay for transportation, lodging and meals. Cost will vary according to location. The 2015 Conference will be held in Reno at Atlantis Resort Casino Spa.

Gold: Annual National Conference: Total Cost: about \$2000

Sponsors are being asked to cover registration, travel and lodging costs and may include a stipend to help defray other expenses.

Contact Nevada School Nutrition Association for more information and membership details:

Dear School Site Managers and staff, informally known as the Lunch Lady *or Guy*,

Nevada School Nutrition Association is introducing an opportunity to support you in your career growth.

The Sponsor a Lunch Lady or Guy program is designed to allow school parent support organizations (PTO, PTA, the parents club) to sponsor your membership and attendance to the state and national SNA events.

Attached is a flyer for you to pass on to your school's staff support organization with the goal of having them sponsor you to join the School Nutrition Association.

Nevada SNA board members can also arrange to speak with your school groups about the benefits to the children of sponsoring you.

For further information, contact:
